

How to purchase your Rhode Island State Beach Parking Pass ONLINE

A **Season Pass** is a single fee that gives you access to all eight RI State beach parking lots. Expired registrations or other expired identification will not be accepted and will delay your pass.

PLAN AHEAD

Online pass sales begin annually in January.

Resident and Seniors have reduced rates and must be verified.

More than 30,000 season beach passes are issued annually, with over 80% sold during the busy beach season. Verifying your residency and/or senior status can take up to 24 hours, so don't wait until summer! Online pass sales start the first week of January each year. Get yours today!

New this year, returning customers with unchanged registration information can bypass the residency verification process.

STEP 1: Go to beachparkingri.com and select Season Pass either in the main navigation menu or by clicking on the large blue button underneath the photo (Fig. 1).

FOR RETURNING PASS HOLDERS:

If you purchased a pass in 2024 and have no changes to your account information, including your vehicle information and contact email, you may follow a new streamlined process. Check "yes" in the highlighted question and enter your email and license plate. (Fig. 1). You will receive an email to your inbox where you can complete your pass purchase. See page 2 for guidance on the transaction process.

FOR NEW PASS HOLDERS:

Check "no" in the highlighted field and fill in the form. (Fig. 1) Upload an image of your vehicle registration if you're applying for resident pass and your license for a senior pass. (Fig. 1A)

STEP 1B: After submitting the application the webpage will show the timeframe for how long verification will take and you will receive a confirmation message to the email you provided.

Our staff will verify your application to ensure the appropriate pass rate has been applied. Resident and Seniors have reduced rates and must be verified. The time frame for receiving your approval email will vary based on time of year.
